Let it work on you.1 of 1 people found the following review helpful. Consciousness Speaks: Conversations with Ramesh...By rsporterI have been a metaphysician for about 40 years...and of all the writings by other authors, Ramesh [for me] far exceeds them all...I was fortunate to have met Wayne Liquorman [the editor that assisted Ramesh in compiling this valuable work] in Sedona Arizona a few years ago...He is definitely carrying the mantel...0 of 0 people found the following review helpful. Ramesh provides valuable insightBy G. ProwseRamesh provides valuable insight for those of all levels of consciousness. He is truly a master of self realization mdash;

A worthy successor to I AM THAT Ramesh's most accessible and easy to understand book. An excellent place to start or end your search. It is highly recommended both for the newcomer to Advaita and the more knowledgeable student of the subject.

About the AuthorBalsekar is known and loved by seekers from around the world as an eloquent Master of Advaita.
